Description

The stainless steel Angel Juicer is the most advanced and effective juicer on the market. It combines twin gear and twin auger technology to give you the maximum nutrient extraction.

The Angel Juicer has superior features:

- All stainless steel construction durable, hygienic and stylish
- 86 rpm low speed and heavy duty; no aeration and oxidation
- Twin juicing gears that are bigger in diameter and length make it fast at juicing but low in rpm
- 3 HP grinding force more than enough power
- 3-stage extracting twin gear system
- 3-stage screen system, all stainless steel
- Continuous juicing with automatic pulp ejection
- Super quiet operation
- Simple to operate and easy to clean, with a quick-release locking system
- Minimum friction and heat build-up
- No pulp adjustment necessary

Parts and accessories included:

- Cleaning brush
- Stainless steel scraper
- Wooden plunger
- Collection bowls
- Manual

Specs:

- Power at drive shaft: 3 HP
- Motor: 180 W power consumption & fan-cooled motor
- Twin gears: 3-stage food grade, thick all stainless steel juicing gears with masticating augers
- Twin gears speed: 86 rpm
- Weight: 12 kg
- 5 safety devices: automatic heat sensor, dual switch system, internal gear protection, safety sensor & electromagnetic wave protection
- Heavy-duty construction: 100% stainless steel
- Detachable electric cord: no more tangles

Guarantee:

- 2-year warranty on parts and labour from date of purchase.
- Warranty is for household use only.
