Description

The DNA Commercial Blender with 4HP Motor and Sound-Enclosure, promises to outperform any traditional blender by producing smoother results in shorter time periods with the ability to crush ice and frozen fruit, blend nuts into nut butter and make hot soups without comprising its

heat-resistant 1.5L Jug. It is the perfect choice for Commercial Environments requiring a silent but powerful Blender at front-of house. The Programmable Digital Control Panel, takes the headache out of manual operation. Trust the DNA Commercial Blender to be your best investment your Smoothie-Bar or Restaurant ever made.
