Description

Looking for the biggest capacity, without losing all the best features of air frying? The 7-in-1 Vortex Oven is the ultimate in multi-purpose cooking, offering smart programs to Air Fry, Roast, Bake, Grill, Reheat, Dehydrate and even Rotisserie cook your food. Additionally, the large 9.5L capacity, with three cooking levels, two cooking trays and drip/baking pan provides the convenience of cooking multiple ingredients at once. The oven also features a glass door with interior light, so checking your food's progress is simple and convenient. Includes a rotisserie spit for perfect roasts and a rotisserie basket for the crunchiest wedges or roast veggies.

The Instant Vortex Oven is more than just an air fryer - it's so versatile, you can make almost anything in it! From fries to fritters, falafels to muffins and cakes; plus the most delicious rotisserie chicken or lamb that you have ever tasted! If your food is frozen, you don't need to thaw it first - chicken nuggets and pizza never tasted better, straight from the freezer.

Embrace all the health benefits of air frying, with all the flavour and none of the guilt. Air frying replaces hot oil with super-heated circulating air to produce the same crunchy browned texture and taste that makes deep fried food so good. Tender on the inside and crispy on the outside - it's quicker, cleaner, healthier and a whole lot easier.
