Description

Jackery Explorer 1000 Portable Power Station

The Jackery Explorer 1000 is a 1002Wh lithium Portable Power Station. The Jackery Explorer 1000 is one of the most powerful and portable lithium battery generators on the market.

- Lithium battery power: 1002Wh (83.5Ah, 12V) battery capacity, 1000W Rated Power and 2000W Surge Power from the pure-sine wave AC port.
- Portable and lightweight: weighing in at just 10kg's with an easy-carry handle.
- Multiple output ports: charge mainstream electronics and appliances including full-size refrigerator, TV, blender, electric grill, camping fridges, tablets, laptops, cameras, drones and more for your outdoor and home needs.
- All-in-one portable power station: includes USB-A and USB-C ports, AC outlets and 12V car output.
- Recharge the power station three ways: AC outlet, DC carport or via optional solar panels.
- An easy to read LCD screen displays charge/discharge data and battery life status.
- Unlimited green power bundle: can work with compatible solar panels (sold separately) to perform as a solar kit or solar generator.
- Please note: the Explorer 1000 (with South African 2-prong outlet and plug) is identical to the Explorer 1000 sold in the USA except the SA version has 230V, 2 AC outlets and SA plugs.
- The Explorer 1000 comes with a handy additional South African 2-prong to 3-prong outlet adapter.
