Description

The NEW DNA Raw Press Juicer extracts juice from all types of produce including tough vegetables and fruits as well as berries, greens and root vegetables. The cold press screw design ensures a juice extraction level of over 85% whilst preserving the majority of vitamins and minerals. With the 75mm Smart feeding chute, you can juice whole fruits and vegetables ,saving you preparation time and effort. It comes complete with 3 Strainers and best of all is that you can be confident that you will enjoy your juicer for many years to come, because it comes with a 10 Year Guaranty on the motor.
