Description

The KoMoMio will be a perfect companion with a powerful 360 watts for beginners AND baking professionals. We use an innovative combination of solid wood and Arboblend®, an ecological recyclable material. So a cool combination of experience and lots of innovation is our new KoMoMio.

With this mill you can experiment with new types of flour for delicious recipes at your whim today whole grain herb roots and tomorrow falafel made of chickpea flour-there are no limits to your imagination. Turning the funnel is enough to adjust the desired subtlety. You open the grinder in no time and without any tools. As with all KoMo mills. Just awesome!

- Mills 100 g fine flour per minute, even several times the amount when adjusted coarsely

- Mills all cereals (also rice, millet, maize)
- Engine power: 360 watts, maintenance-free and extremely powerful industrial engine
- Funnel filling quantity: 1200 g (wheat)
- Innovative case made of Arboblend ® and wood
- 12-year warranty!
- This device has the certificate TÜV GS tested security.
