Description

With a reputation as one of the best kitchen appliances, the OmniBlend blender is perfect for making smoothies, soups, dips and more. The commercial strength blender is also able to crush ice and grind nuts, which makes it one of the best blenders on the market.

Fit for use in both household and restaurant kitchens, the OmniBlend is perfect for both novice cooks and master chefs.

The OmniBlend has a built-in overload reset button and thermal shut off switch on the motor that protects it from burning out and post-load shedding power surges.

At 38 000 revolutions per minute, the mechanism will whip up a mini tornado of goodness and health right in your kitchen.
