### Description

NOTE: We have been informed that Vitamix will be discontinuing this model.

The new improved Vitamix Pro 500 now includes 3 pre-defined programs for soups, smoothies and desserts which can be used in many different ways - this is all explained in the included 300 page recipe book. These new controls allow you to set your Vitamix then leave it alone as the blender will start, adjust the speed and timing, and shut itself off when required. The new Vitamix Pro 500 also includes an improved pulse function.

The Vitamix 500 Pro Blender comes in a beautiful brushed stainless steel finish.

## What can the Vitamix Professional Series 500 Blender do?

*The new Vitamix Pro 500 performs more than 50 kitchen tasks without additional attachments*

- Really smooth, healthy smoothies!
- Make hot soup without cooking it!
- Baby puree
- Frozen desserts
- Churn Ice Cream
- Nut Milk
- Make dips, sauces, salsa and pesto
- Gourmet butters
- Crush ice
- Make cocktails

The new Vitamix also has a low 1000 rpm function, which allows you to perform tasks which no other household blender can do.
