RE: Confirmation of Authorized Hubble Dealer Status and Unauthorized Website

This letter serves to confirm that EcoHub (Pty) Ltd, operating through www.ecohub.co.za, is an authorized and registered dealer of Hubble Energy products.

We further confirm that the website www.ecohubza.com is not an authorized Hubble Energy dealer, reseller, partner, or representative. Hubble Energy has no affiliation with this website.

It has been brought to our attention that the website is impersonating EcoHub (Pty) Ltd and its legitimate online presence at www.ecohub.co.za. We will advise customers and members of the public to exercise caution and to engage only with authorized Hubble Energy dealers and official channels.

Should you require any further verification, please contact Hubble Energy directly.

Yours faithfully,
